

Halstead are hosting the 2nd fixture this season in the NESS League on 28/11/21. The venue is at Gosfield School, Cut Hedge Park, Halstead Road, Gosfield CO9 1PF

The juniors will race at 10am followed by the seniors racing at 10.45am.

The junior course starts and finishes on the school field with the majority of the racing being in the woods and the same for the seniors but they get to take on some new challenges on private land beyond the woods.

Maps of the course are shown below – juniors left, seniors right

Please encourage your runners, senior & junior, to car share as much as possible as parking is limited this year due to ongoing building work and we do not have use of the field to park on.

Limited toilets will be available in the main hall with others available in the pavilion by the car park.

There will also be a small area for changing in the main hall in the event of bad weather but ideally changing to be done outside by cars.

Unfortunately we will not be offering teas/coffees etc after the race this year. This is just to avoid large gatherings in a confined area and the chance of lots of people touching everything and causing a covid situation.

Score sheets are to be handed in to the gazebo near the start/finish area.

Payments from other clubs are to be made online using the following details:

Sort Code: 08-90-04 Account Number: 50670309 Name: Halstead Road Runners

Please include your club name in the reference.

Thanks Steve, Halstead Road Runners
